

APRIL-JUNE 2021

UNITE & INSPIRE TO MAKE AN IMPACT!

An overview of our second quarter's achievements, projects, and more!

Founders' message:

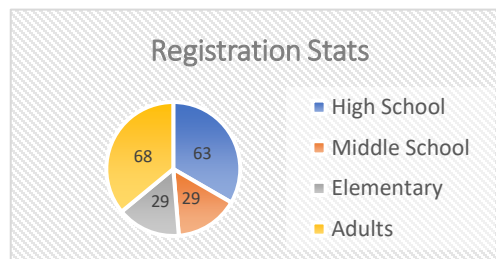

We welcome all the renewed and new volunteers who have joined hands for another wonderful year of service to make our community better. We have stepped up to the pressing need of supplies in the times of crisis to our folks in India. We will be starting "Meal Sponsorships" to underserved children in India soon. We have successfully launched our Youth Council, Summer Internships, STEAM Workshops and Campaigns. We hope you all avail these opportunities to learn about your local and international communities.

U&I Proclamation Day

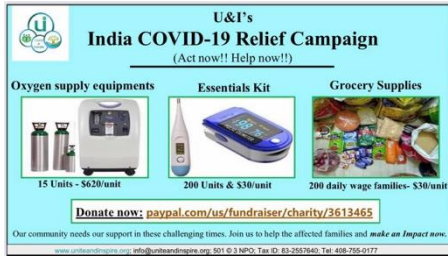

Inspiring our volunteers to be involved in community engagement and encouraging the youth towards a volunteering spirit, Mr. Cole, the Mayor of Pearland, has honored our organization with a proclamation recognizing May 3, 2021 as Unite and Inspire Day!
