

Unite & Inspire

U&I... to make an impact!

JAN 2023 - MAR 2023 / VOL.1.2023

Community Volunteering Activities

MLK Day Activity

In honor of Martin Luther King Jr., National service day, U&I volunteers participated in this impactful service benefiting the youth in the city of Richmond through Mental Health Activity, STEM, and building bonds of trust and friendship with the community at access health.

"Black is Beautiful" Art Activity

CCSL "Tackle Hunger" Food Drive

U&I volunteers in collaboration with CCSL, collect/donate non-perishable food items for those in need.

Be the Match - Swab Kit Making

U&I celebrates "Black is Beautiful" by engaging in art activities with the community.

Access Health

U&I volunteers help gather and distribute books at Access Health.

Ongoing Volunteering Activities

Community Gardening

U&I volunteers gathered to make cheek swab kits for our collaborator Be the Match. These kits are used to distribute in the community to find matching donors for blood stem cells or bone marrow.

Operation Gratitude Handmade Cards

There is nothing more thoughtful and personal than a handwritten note inside a beautiful handmade card. Our volunteers put their paper crafting skills to work making blank cards that our deployed troops can then use to write home to their loved ones.

Halo House

U&I volunteers play an essential role in ensuring that our community farms are healthy and thriving so that we can meet the mission of growing fresh produce for those in our community who lack access to healthy options in their neighborhoods.

Arc of Fort Bend

Our Volunteers engage and assist in activities like arts and crafts, games, and indoor activities with special needs kids. It is a fun engaging social skills practice and respite night for the participating teens and tweens.

U&I volunteers initiated Valentine card making activity, Spring Art Workshops and served snacks and dessert to cancer patients and their families in collaboration with Halo House Foundation. It was a fun-filled afternoon full of cheer and joy!

Sugarland Parks and Recreation

Keeping the parks clean is an effective way to support the green spaces in our City. U&I volunteers join hands and come together to clean our city parks every weekend for it to be beautiful and clean for all to enjoy.
